Care...in the Right Place...

...at the Right Time...

...at the best cost

With 14 ambulatory infusion centers located throughout South Carolina, Palmetto Infusion Services has been providing a safe, convenient, and more affordable place for patients living with chronic conditions like MS, RA, Crohn's Disease, and many others to receive treatments for more than 12 years.

Our highly trained patient-care team offers a convenient, safe Alternative for specialty drug infusion. Our centers are places where patients receive specialty drugs and personalized care from infusion trained registered nurses, pharmacists, physicians, and other nurturing and caring team members.
