- **Psoriatic Arthritis & Plaque Psoriasis:** indicated for dosing at 5 mg/kg induction & then every 8 weeks.

\_\_\_ If patient is switching biological therapies, then MD must specify wash-out period prior to starting INFLECTRA® as specified of \_\_\_\_\_ weeks. Last known biological therapy: \_\_\_\_\_ and last date received: \_\_\_\_\_. (Include copy of last INFLECTRA® infusion record if available and currently on therapy)

\_\_\_ Other as requested: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

### Pre-Screening:

\_\_\_ **Required TB screening results: PPD or QuantiFERON Gold Test.**

(\* If screening results are positive or indeterminate, then a negative CXR result is required.)

\_\_\_ **Required Hepatitis screening to include: Hepatitis B Surface Antigen results.**

**\*\* Warnings/Precautions: \*Product information suggests that patients who have stopped treatment for an extended period are at higher risk for hypersensitivity reactions. MD should evaluate premedication and consider antibody testing prior to restart of infliximab or biosimilar. Patient should not have an active ongoing infection, signs or symptoms of malignancy, or invasive fungal infection. Do not initiate INFLECTRA® therapy in patients with moderate to severe Congestive Heart Failure. *INFLECTRA® at doses of >5 mg/kg should not be administer to patients with moderate to severe heart failure.* Patient with mild CHF should be closely monitored. Therapy should be discontinued in patients who develop new or worsening symptoms of heart failure. **Hepatotoxicity:** Stop therapy in case of jaundice and/or marked liver enzyme elevations. Evaluation of immunizations should be completed prior to and live vaccines should not be given before or concurrently with INFLECTRA®. See full prescribing information.**

Checklist for referrals to AccuRX Infusion Center:

Fax referral to 1-866-990-3192

- Patient demographics – address, phone number, SS#, etc.
- Insurance Information – copy of the card(s) if possible
- Plan of Treatment/Orders
- Most recent physician office notes to include tried and failed therapies – all insurance companies that require a pre-authorization require the note. This includes Medicare/Medicaid HMOs
- Any lab results or other diagnostic procedures to support the diagnosis

AccuRx Infusion Center will complete insurance verification and submit all required clinical documentation to the patient's insurance company for eligibility. Our office will notify you if any further information is required. We will review financial responsibility with the patient and refer them to any available Co-pay assistance as required. Thank you for the referral.
